

Sponsorships: SESE2017

SESE2017 will allow three kinds of sponsorships: Platinum, Gold and Silver.

Platinum sponsors will be the main focus of the tour, they will provide the infrastructure and they will be the global providers pushing the tour. Clients are welcome to participate during the tour.

Gold sponsors are a set of companies compromised with the event, but limited in clients and participation.

Silver sponsors are committed companies with the tour but also with limited access to the tour, but supporters.

The sponsorship levels are detailed as follows:
